Behaviour for Learning

Vision: We seek to create a fantastic future for all our students

The MEA Way: Safe, Respectful, Ready

Our Academy promotes equality of opportunity. We are committed to take a positive stand to ensure all in our communities have a right to equality of opportunity and achievement regardless of race and ethnicity, faith, belief and religion, disability and access, ability, age, sex, sexual orientation, gender identity and marital status.

Equality of opportunity underlines our commitment to a fantastic future for **all** our stakeholders and is related to all aspects of the Academy's work.

In our Academy, we talk about 'The MEA Way' of doing things. We have devised a clear set of standards which all students should aspire to and which all staff should model and expect.

Throughout the year we will provide students with the opportunity to reflect on their own behaviour for learning and their behaviour as a community citizen of the Academy. Throughout this document, when we refer to good or outstanding MEA learners, it is in relation to the standards in Appendix 1.

The Academy's Learning Principles:

The basic expectations of behaviour at Manchester Enterprise Academy are:

- ✦ Students have a right to learn without having their learning disrupted – no lost learning time
- ✦ Students follow teachers' instructions
- ✦ We speak respectfully to each other, avoiding negative language and language which might cause upset

Aims of the Behaviour for Learning Policy

- ✦ To ensure that each Academy is a safe, orderly environment that encourages learning
- ✦ To celebrate and reward positive attitude to learning, that is the "MEA way" and enables students to flourish
- ✦ To promote and assist the moral and emotional development of students in terms of altruism and their sense of community
- ✦ To ensure a calm, productive atmosphere that is conducive to learning
- ✦ To help students understand that actions have consequences, both positive and negative, and to help students learn to be responsible for their actions
- ✦ To identify early, students whose behaviour may adversely affect their learning, and to act quickly to rectify the situation
- ✦ To work actively against behaviour that damages the inclusive ethos of the Academy
- ✦ To allow teachers to enjoy delivering outstanding lessons

Foundation of the Behaviour for Learning Policy

The foundations of the Academy's Behaviour for Learning Policy are threefold:

Respect – we will encourage students to develop a healthy self-respect through high expectations and through rewarding success. The Academy values highly the ethos that success is something to be proud of; there is no stigma attached to success in our Academy. We will also encourage students to show respect for all other members of the school community, staff and students alike; we foster a sense of positive

engagement. We believe we are part of one team working for a collective goal and facing challenges together.

Rights – feedback from staff and students has indicated that every member of the Academy community feels that key rights underpin the Academy’s learning principles:

- ✦ Students have a right to **learn** without having their learning disrupted – no lost learning time
- ✦ Students follow teachers’ instructions
- ✦ We speak respectfully to each other, avoiding negative language and language that might cause upset

Responsibilities – underpinning these principles is the responsibility of all members of the MEA community to act in the best interests of staff and students alike. Teachers have the responsibility to go about their duties to their full ability and always to seek to improve their teaching; students have a responsibility to ensure that they focus on learning at all times. We believe strongly that students should, in addition to their academic subjects, learn ways in which they can become valuable members of society, where they can show care, consideration and kindness towards their fellow human beings.

What is ‘behaviour for learning’?

Our Academy believes that outstanding teaching is a key component of reducing behaviour problems. Well planned lessons, meaningful schemes of learning, good inter-personal skills and emotional intelligence contribute to removing most behaviour issues.

Behaviour for learning emphasises the crucial link between the way in which children and young people learn and their social knowledge and behaviour. In doing this the focus is upon establishing positive relationships across three elements of self, others and curriculum. The three sets of relationships, which contribute to a culture/ethos of ‘learning behaviour’, are:

- ✦ **Relationship with Self:** a student who does not feel confident as a learner and who has ‘internalised’ a view that s/he is unable to succeed as a ‘learner’ will be more likely to engage in the challenge of learning and (in consequence) may be more inclined to present ‘unwanted behaviours’
- ✦ **Relationship with Others:** all ‘behaviour’ needs to be understood as ‘behaviour in context’. Behaviour by students is triggered as much by their interactions with others (students, teachers or other adults in schools/settings) as it is by factors internal to the child.
- ✦ **Relationship with the Curriculum:** student behaviour and curriculum progress are inextricably linked. Teachers who promote a sense of meaningful curriculum progress in learning for each student will be more likely to create a positive behavioural environment.

Creating a positive Academy culture

Our Academy believes that positive reinforcement of good behaviour and rewarding success are tools of managing behaviour in the Academy. Praise should be used much more than warnings. Opportunities for praise should be actively sought by all staff; both teaching and non-teaching, to ensure positive messages and meaningful rewards dominate student culture.

At MEA all staff will maintain a consistent approach towards rewarding students. By praising students and recognising their achievements, others will be encouraged to act similarly. Rewards will be given in all areas

of our Academies, both pastorally and through the curriculum, recognising a student's achievements for the following: **progress, attitude to learning (ATL) and attendance.**

Creating a positive classroom culture

We will reward students who demonstrate their 'buy in' to the MEA Way and uphold our values of 'Safe, Respectful, Ready',

In lessons, staff will:

- Make frequent use of encouraging language and gestures both in and out of the classroom.
- Use rewarding language within marking and class feedback sheets.
- Give instant reward slips/ stamps/ stickers for improvement or good progress.
- Recognise students within the lesson though their name on the board.
- Positive phone calls home to parents

Whole School Rewards

Safe, Respectful, Ready Awards

Students who have excelled in the areas of 'Safe, Respectful, Ready' each week in a particular subject area receive a postcard home congratulating them on their achievement.

At the end of each term, faculty and pastoral areas will reflect upon the students who have excelled in their area within the three school values and these students will receive a badge representing the school value to wear on their tie.

Students who manage to collect all three badges will be invited to take part in a leadership programme. The MEA Bronze award focuses on self-improvement in both an academic and extra-curricular discipline. The MEA Silver Award is about altruism and helping others and the MEA Gold award is about legacy and leaving a lasting positive impact on your school community.

Attitude to Learning (ATL)

Year teams use a variety of incentive schemes to promote excellent ATL. Students who demonstrate ATL 1 (the highest attitude to learning grade) will qualify for either end of term trips or on-site rewards issued at the end of term.

Attendance

Students who have 100% attendance will be rewarded vouchers and prizes regularly throughout the year to celebrate this achievement.

Students who improve their attendance significantly will be nominated for reward trips.

Tutor groups who have the best punctuality will be rewarded with a 'non-uniform day' each half term.

Behaviour System

The MEA Way

All students are reminded of the three clear rules, which are collectively known as The MEA Way:

- 1) Be **safe**. Follow the instructions of the MEA staff at the first time of asking.
- 2) Be **respectful**. Respect the building and everyone in it.
- 3) Be **ready**. Put your learning first.

As long as students adhere to these simple rules, they will not need to be concerned about behavioural consequences.

We believe that most negative behaviour can be addressed by effective lesson planning, exciting learning opportunities, seating plans and teacher impact. However, a small minority of our students will still display negative behaviours despite excellent planning.

In every lesson, the behavioural system will be applied in the following way:

If a student is....

- If a wrong choice is made a **Warning** will be given
- If a further wrong choice is made a second warning will be given and students will be issued with a **SMART Time**
- If a further wrong choice is made the student will be asked to go to **Support Space**
- If a student is asked to go to **Support Space**, they will be removed from their lesson by a member of staff on patrol and be placed in a support space (this being another classroom where the student can be taught for the rest of the lesson)
- If a student is issued with a **Support Space** they receive an automatic **60 minute detention** that day
- Parents will be contacted by text to inform them that their child will be attending detention that night.
- At the end of a **support space** lesson students return to their normal timetable
- If a student refuses **Support Space** or their behaviour warrants a greater sanction, they will be issued half a day in the **Defeat Defiance** room.
- In the **Defeat Defiance** room, students will be able to reflect on what has happened as well as engaging with ability appropriate work. They will still need to complete their **60 minute detention** which will take place on the same day.

- In cases where a more serious wrong choice is made, a student may be issued straight away with **Defeat Defiance** for a set period of time.
- If a student is issued with **Defeat Defiance** they receive an automatic **60 minute detention**
- If a very serious wrong choice is made, a fixed term, or in very extreme circumstances, permanent exclusion may result

Recording of negative behaviour and consequences

It is important that negative behaviour is logged using the academy's recording processes on ClassCharts. When staff issue a SMART Time or a Support Space they must record this on ClassCharts and provide details as to why they were issued, providing as much information as possible in a factual and professional way.

In order for the MEA Way to have an impact, it is vital that students understand when their behaviour is deemed to be **unsafe, disrespectful or unready**. We have defined these behaviours in the following way although the list is not exhaustive.

Unsafe <i>Not following Instructions of the MEA staff</i>	Disrespectful <i>Not respecting the building and everyone in it</i>	Unready <i>Not putting learning first</i>
Failing to follow instructions	Answering back	Lateness / truancy
Silly behaviour	Bad language (not directed at staff)	Not working
Eating / drinking / chewing gum	Ignoring staff	Off task talking
Throwing things (pencils / rulers)	Defiance / refusal	Disrupting learning
Reckless behaviour	Graffiti / defacing equipment or the building	Using mobile phone
	Disrespectful behaviour towards other students	Distracting other students
	Threatening/intimidating behaviour (to other students)	

Behavioural Intervention

Behaviour will be monitored on an on-going basis and students who persistently demonstrate negative behaviour will undertake one or more of the following interventions:

- Monitoring by Form Tutor
- Monitoring by the year group Leader and/or Manager of Character and Culture
- A behaviour review which will result in an individual Pastoral Support Plan
- Referral to relevant support agency
- Individual or small group academic or wellbeing mentoring
- Be referred to our alternative provision.
- Be issued with a 'Step Out' placement where they may be placed at another academy within the Trust or at a partner academy in the locality for a fixed period of time.

Include

Include is an internal alternative provision that is designed to provide a personalised timetable for students who cannot access mainstream lessons.

The Include programme is offered to students who have struggled to access mainstream lessons while in primary school. The students are identified through Year 6 transition meetings with the Year 6 teachers and SENDCos. The students and parents are informed at Year 6 day about the provision and what it entails.

The aims of the programme are:

- To maintain high standards of behaviour at MEA by ensuring good/outstanding learning experiences resulting in good/outstanding progress
- To teach good behaviour as a skill
- To offer interventions and therapies to support students' specific needs

Students are taught by subjects specialists in small groups. They Students will also have access to interventions and therapies linked to their needs. Each student will have an individual learning plan (ILP) which will be reviewed every two weeks. This will include their targets and their progress.

The group have a dedicated Teaching Assistant, who is the main point of contact regarding any communication with home, and is supported by the Alternative Provision Leader and the Assistant Vice Principal for Vulnerable Learners.

Alternative Provision

Occasionally, a student's needs are such that in order to keep them engaged in education, and allow others to thrive in the academy; we place them in a more suitable provision. We work closely with the Pupil Referral Unit (PRU) as an alternative to permanent exclusion. They have a range of provisions and following a detailed referral process, they place the student in the setting that matches their need.

We have an Alternative Provision Manager who works as part of our Inclusion Team and who attends all student reviews, monitors attendance and acts as a liaison between MEA and the provider. For Year 11 students she ensures IAG is in place and that students are supported to avoid becoming NEET.

The profile of a student who needs to access alternative provision typically falls into two categories:

- SEN students who either have a statement of SEN and should have accessed specialist provision or should have been assessed at primary school and need fast tracking to a more appropriate provision;
- Students who present with highly challenging behaviour, and struggle to cope with the high expectations of the academy and the demands that a full academic curriculum places on them in a mainstream setting.

Staff Roles

Behaviour for Learning is the responsibility of all staff in the Academy. What underpins this ethos is the commitment from every staff member to apply the Academy rules consistently and fairly, both in the classroom and around the Academy site.

On Call

On Call is an additional level of support to promote the smooth running of the Academy at all times. It is in place to support staff in their application of the Behaviour for Learning protocols. Each lesson there will be a member of SLT with a radio to respond to an On Call request.

Senior Leadership Team (SLT)

If an incident is serious then it might be referred to a senior member of staff immediately, for instance, a serious act of verbal aggression or a serious fight. This level of intervention is also appropriate to persistently

negative students who have not responded to the other interventions put in place to address their negative behaviour.

The Principal

The Principal might choose to intervene through discussion with the student and their family. If the incident is serious then the Principal might take the decision to issue a fixed term exclusion. The Academy seeks to avoid the most serious sanction of permanent exclusion but if a student persistently breaches the expectations of the Academy or is involved in a serious one-off incident, then the ultimate sanction of permanent exclusion might be issued.

Bullying

Manchester Enterprise Academy believes bullying ruins lives and we will not tolerate any form of bullying within our Academy. It is a direct attack on all of our values: it is unsafe, disrespectful and prevents other students being ready to learn.

Our definition of bullying is:

‘Deliberate, persistent behaviour that causes another person/s upset.’

Deliberate means that the person involved chose to make the decision to upset someone. **Persistent** means that it happens on more than one occasion. A person could be very upset by a serious one-off incident and this type of incident will be dealt with seriously if it contravenes the Academy’s expectations of behaviour. Bullying is horrible because it means a person is being upset regularly and because a person or a group of people is/are **deliberately** choosing to upset someone.

Bullying can be physical, verbal, written, emotional, discriminatory and/or electronic. If you feel you are a victim of bullying, please do not keep your upset to yourself. Talk to someone. If you’re a student talk to your Pastoral Tutor, the Manager of Character and Culture for your year group, the Leader of Character and Culture, a member of the Senior Leadership Team, the Principal – **ANY** adult in the Academy you feel you can talk to. If we don’t know about the problem then we can’t work to make it better. Sometimes students don’t report bullying because they feel that by mentioning it things will get worse. Sometimes things don’t improve completely straight away but we will stop bullying so please don’t keep your pain to yourself.

We treat bullying seriously and this means the sanctions for bullying are serious ones and might include, in the worst instances, permanent exclusion from Manchester Enterprise Academy.

How do we address bullying?

Sometimes we talk to the victim then to the alleged bullies separately, explaining why their behaviour is bullying and the hurt it causes. Occasionally, if the victim feels it might be useful, we get everyone involved together for a discussion to make sure everyone is clear that the most important outcome we need is for the bullying to stop so that hurt feelings can heal and the victim’s self-esteem can be repaired.

If bullying continues after the Academy has intervened then this becomes more serious. For example, a victim reports bullying and a member of staff intervenes and puts in place measures to stop the bullying. Everything is fine for a few weeks and then the bullying starts again. This now is a **VERY** serious matter. Bullying hurts because victims feel they cannot control their lives safely and healthily. If bullying stops the victim will feel better and see hope for the future; if this hope is shattered because the bullies ignore advice, the victim will feel worse than they did when they reported the original bullying. The Academy will now have to take serious action.

What should staff and students look for when they are concerned about bullying?

There is not a complete list of signs that a person might be a victim of bullying but the following could be indicators that someone is suffering:

- ✦ Suddenly becoming quiet or withdrawn

- ✦ A change in character – becoming angry or tearful in a situation where previously they would have been okay or starts attention-seeking in bizarre ways
- ✦ Starts to isolate themselves, keeping away from other people and not mixing with friends or bigger social groups
- ✦ Changes routines to avoid certain situations, for example taking an unnecessarily long route to school or hanging around at the end of the day until all the other students have left
- ✦ Begins to change their appearance in unpredictable ways or begins to self-harm. Self-harming is when people deliberately hurt themselves because they feel very low about their self-esteem

These behaviours may not be linked to bullying but they can be important signs that someone is suffering. If we see a friend or anyone displaying these behaviours, we can approach them ourselves and ask if they are okay. If you don't feel comfortable doing this, then you can approach an adult or a colleague and report your concerns.

Bullying ruins lives so it is better to report it and perhaps misread some of the signs than leave it because you fear being wrong. People who are suffering bullying can feel incredibly isolated so someone showing concern for them might make them feel a lot better. Don't let anyone suffer in silence.

Who do I talk to?

Anyone! **What's vital is you tell SOMEONE who is able to make the situation better.** Don't suffer in silence. Who could this be?

- ✦ Another student, one you trust and know will be supportive
- ✦ Your parents
- ✦ A member of your family or a family friend
- ✦ Your Form Tutor
- ✦ Your Manager of Character and Culture
- ✦ Your Leader of Character and Culture
- ✦ Any of your teachers
- ✦ A Teaching Assistant
- ✦ A member of the Senior Leadership Team (SLT)
- ✦ The Principal

At our Academy, the member of staff who the bullying was disclosed to should always pass this information on to the Manager of Character and Culture of that year group. They will log the incident and this will be recorded on CPOMS as peer on peer abuse under the category of bullying. Victims of bullying should understand that it will be taken seriously, will be investigated and appropriate action will be taken. The bullying behaviour, or threats of bullying, must be investigated and the bullying stopped quickly. The Manager of Character and Culture, where appropriate, supported by other members of the Pastoral Team, will investigate the allegation and depending on the severity of the case, there will be an appropriate sanction in line with the Academy Behaviour for Learning policy.

Different types of bullying

Bullying is deliberate and persistent and it can be done in different ways, or a combination of different ways. Here are some of the different types of bullying:

✦ **Physical**

This is when someone is physically hurt or intimidated by the bully. Often bullies are cowards and will threaten physical violence to scare someone but never actually use force. It doesn't matter – being scared is horrible and affects a person's whole life. Actually hurting another person deliberately is an offence and is a horrible way to treat another person. Physical bullying is never right and can put the victim in danger. As with all bullying, it must be reported immediately.

✦ **Emotional**

This is often the worst kind of bullying. Nothing is done physically, nothing is said verbally but a person is left out persistently and deliberately. Perhaps they are pushed out of a friendship group, maybe they aren't invited to a social event. At its worst emotional bullying can destroy someone's self-esteem as they begin to believe they are worthless and dislikeable. Emotional bullying can be easily covered up as behaviours change when adults appear. Being an emotional bully makes someone feel more powerful than they really are and it needs addressing quickly.

✦ **Verbal**

This is name-calling and making nasty comments. Sometimes this can be direct to the victim's face, sometimes the comments are made to make the victim feel silly or ugly or isolated. There is an old phrase that says 'sticks and stones may break my bones but names will never harm me'. The Academy doesn't agree with this. Persistent and deliberate name-calling is cruel, vicious and the hateful words spoken can stay with someone for a long, long time after the name calling stops.

✦ **Discriminatory**

We are all different. Some people are tall, some people are small. We have different characteristics, such as hair, noses and ears. Some people are gay, others are straight, some people are Christians and others are Muslims. It would be a very dull world if we were all the same. Prejudice is when a person or a group of people are cruel to another person because of how they look, or because of their ethnicity, gender or their sexuality. Racism - prejudice because of ethnicity; homophobia – prejudice or discrimination because of sexuality and transphobia – prejudice, harassment or discrimination based on gender identity are both monitored by the Academy and dealt with seriously, these include incidents which are based on perception. Some bullies can be cruel to people with learning difficulties or different accents. As we grow up we like to fit in and any difference can sometimes be exploited by people who intend to hurt others. At MEA we believe in equal opportunities for all, this means prejudice and discrimination has no place in our Academy.

✦ **Cyber bullying**

We believe cyber bullying is the use of a mobile phone or the internet to deliberately upset another person by spreading lies and rumours online; by sending or forwarding mean messages via instant messages, text or on social networks; by posting photographs without consent and by tricking others to reveal personal information.

Facebook, Snapchat, iMessage, Instagram, Twitter – we now have a host of new ways to communicate and so, sadly, these exciting digital tools can be used for bullying. Electronic bullying can be emotional and often has the same impact. Messages can be sent in seconds but can leave damage that takes longer to heal. If you think you are a victim of electronic bullying, keep a record of any abuse you have received.

Notify the company, such as Facebook and report the matter to the Academy. Digital bullying will be treated just as seriously as the other forms of bullying mentioned above.

We understand cyber bullying is highly intrusive and the hurt it causes can be very severe. As it leaves no physical scars cyber bullying is not easy to detect by a parent or a teacher. We acknowledge cyber bullying can take place anywhere and can target students and school personnel. There are many types of cyber bullying such as text messages, picture/video clips, mobile phone calls, emails, chat room bullying, instant messaging and the use of websites to convey threats, intimidation, harassment etc.

Role of Students

Students will:

- comply with all the afore mentioned aspects of this Behaviour for Learning and Anti-Bullying policy;
- sign an Acceptable Use of ICT contract;
- report all incidents of bullying to a member of staff;
- not misuse mobile phones and other digital devices in a way that will upset, offend or threaten another individual. The Academy will remove a student's right to bring a mobile phone to school if such a device is misused
- be advised to help a friend who is being bullied by:
 - listening to them;
 - supporting them;
 - writing supportive comments;
 - Encourage them to tell an adult/tell an adult for them

be advised:

- not to take everything to heart;
- not to give out their own or anybody else's personal information;
- to be careful what they write and post online;
- how to block or report people;
- not to 'like' or share an unkind comment or image;
- to talk to an adult they trust if something upsets them;
- to keep a diary of what bullies do including dates and descriptions;
- not to react but to show bullies that they don't care and often they will lose interest;
- to save evidence of online bullying;
- to contact the police if they are being harassed online;
- listen carefully to all instructions given by the teacher;
- ask for further help if they do not understand;
- treat others, their work and equipment with respect;
- support the academy Behaviour for Learning policy, necessary to ensure the smooth running of the academy;
- liaise with the school council;
- take part in questionnaires and surveys.

If a student is involved in carrying out the bullying, they will be advised to:

- Think about what you're doing. The first step is realising that you've been involved in bullying. We all make mistakes and it doesn't make you a bad person.

- Ask for some advice. Tell someone you trust, like a parent, carer or teacher. They may be able to offer you some advice about what to do.
- Delete the bullying if it is online. Go back and delete any upsetting or nasty posts, tweets or comments you've written.
- Be the one to make a stand. Talk to others involved and encourage them to stop the bullying. It only takes one person to start making a big change.
- Say sorry. Apologise to the person who was bullied and offer them support. This can mean a lot to the other person.
- Learn from this. Sometimes we do things without really thinking them through but the important thing is to learn from it and change the way you act in the future.

(Reference: <https://www.childline.org.uk>)

Sanctions for bullying

In lessons, individual acts of negative behaviour should be managed by the classroom teacher using the Academy's consequence system. Bullying though often takes place outside of lessons and this can make it harder to detect. Again, this is why it is **VITAL** that you don't suffer in silence. We will intervene as quickly as we can and, if necessary, we will take serious action. This isn't always necessary, as sometimes a quiet, reflective conversation can be more effective. ***It is important though that everyone is clear - if necessary The Academy will use the most serious sanctions to ensure that the cruelty and pain caused by bullying does not ruin the lives of our students and our staff.***

- E-Safety Policy

Academy Expectations

Mobile Phones and other Digital Technology

The Academy allows students to bring mobile phones to school as long as our policy on mobile phone use is followed. The Trust accepts **NO** responsibility for mobile phones or any other digital device that are brought into the Academy and students do so at their own risk. Mobile phones are expensive items and parents must understand that we will not be liable for their safekeeping. Parents who allow their child to bring a phone to school must understand that the responsibility for the safe keeping of the device is entirely the child's and if a parent believes a child cannot look after the device safely they should not permit the child to bring it into school.

During lessons and around the Academy, including on corridors, mobile phones should be out of sight and switched off. Mobile phones should not be apparent in lessons unless their use is explicitly requested as part of a lesson by a teacher. Headphones should not be worn around the Academy, including on corridors, and should not be apparent in lessons. If a student fails to keep their phone switched off and out of sight in a lesson or on a corridor, the student will receive a warning and will be asked to switch off the mobile phone and place it out of sight. If the student does not switch off their phone and place it out of sight immediately, the member of staff will confiscate the mobile phone. Confiscated mobile phones will be placed in an envelope and held at Student Services. Students can pick up their mobile phone from Student Services at the end of the school day. The same process applies with headphones worn in lessons or on a corridor. If any student refuses to comply with this process, the matter will be dealt with as open defiance and the student will face the appropriate sanction.

The Academy recognises that parents wish their children to possess mobile phones for safety and that students are keen to be able to bring mobile phones to the Academy. At breaks and lunchtimes, in the canteen and atrium areas, students can use mobile phones as long as they are not used in an anti-social way. This means music should not be played through external speakers, loud conversations should not occur and phones should only ever be used in compliance with the Academy's anti-bullying policy. Permission to possess mobile phones will be granted to students if such technology does not interfere with learning. If the Academy believes mobile phones are having a negative impact upon lessons then the privilege of bringing mobile phones into the Academy will be withdrawn.

Mobile phones, digital cameras, or any other device, which can record images or video, must not be used in the Academy without permission from a member of the Senior Leadership Team. Any student who records an image or video without this permission must delete the file in the presence of a member of staff. Failure to do so may lead to the recording device being confiscated and the file deleted.

Smoking

Manchester Enterprise Academy site is a non-smoking site and we recognise the huge health issues caused by students trying cigarettes or developing a smoking habit. We will seek to support students who do develop an addiction to cigarettes but we will not tolerate smoking on the Academy's premises. This includes the use of e-cigarettes. If a student brings an e-cigarette onto the Academy site, it will be confiscated until an adult collects it. No student should bring into the Academy matches or a cigarette lighter due to the Health and Safety issues created by such items. Students who persistently defy the Academy's anti-smoking policy will be sanctioned seriously and may face exclusion. We wish to provide a fantastic future for all our students and the health risks of smoking have no place in this vision.

Healthy Eating Policy

The Academy has a healthy eating policy for all students and staff.

The following items should therefore not be brought in to the Academy

- Any type of energy drink
- Any type of sugary, fizzy drink
- Any type of sweets
- large bags or tubes of crisps, large multi-packs or bars of chocolate or sugary snacks.
- A small bag of crisps and individual chocolate or snack bars are acceptable as are bottled water and low sugar soft drinks.

If any of the items above are brought in to school they will be confiscated by a member of staff. These will not be returned to students.

Uniform

The Academy believes uniform expresses a commitment to the values of the Academy. It demonstrates that a student is part of the culture of success of the Academy. Students must dress in the correct uniform, at all times, as decided by the Academy's Uniform Policy.

All students must wear their respective MEA uniform in the Academy and whilst travelling to and from the Academy. In some instances students may be exempt or may have to wear a modified version. This is on an individual basis and at the discretion of the Principal.

All items of uniform must be clearly labelled with the student's name.

- **Uniform**

Royal blue blazer with green trim and Academy logo

Formal black trousers (not denim or skinny fit trousers) or a black fully pleated skirt. The skirt should be worn knee length.

White shirt tucked in at all times and collar buttoned up

MEA year group tie with at least 6 stripes showing

Black socks or tights

- **PE Kit**

Royal blue and green shorts with academy logo

Royal blue and green polo shirt with Academy logo

Black socks and base layers

Sports trainers are compulsory

- **Footwear**

Shoes – all black and flat, formal style

Footwear that resembles trainers will not be acceptable

ALL other clothing falls outside of our academy uniform policy and is unacceptable for school.

Our official uniform supplier is:
MCS Stores, Fog Lane, Didsbury, Manchester M20 6EL
Tel: 0161 445 7740
Website: www.mcsstores.co.uk

Additional Uniform information

Make Up - Only very light, subtle make-up is allowed. If a student arrives wearing excessive make-up, they will be given wipes to remove it.

Jewellery & Piercings - We do not allow any jewellery to be worn by students, other than a watch. No earrings or piercings are allowed and students will not be allowed to cover up piercings with plasters. If earrings or piercings are worn in to the Academy, students will be asked to remove them. If students repeatedly wear earrings or piercings in the Academy, they will be confiscated, placed in an envelope and held at Student Services. Students will be able to collect earrings and piercings at the end of the school day.

Hair - As a Health and Safety measure, long hair should be tied back from the face during lessons where there is a potential Health and Safety risk, e.g. Food Technology or a Science experiment where a Bunsen burner is used. This applies to both boys and girls. No extreme hair styles or colours are permissible.

Students who arrive at the Academy inappropriately dressed may be asked to return home to change with their parent's permission. Alternatively, parents might be contacted to ensure that the correct uniform is brought into the Academy so that the student can be dressed correctly.

Any student who is unable to wear the full Academy uniform on a particular day should bring a note from home. This will be kept on file by the student's Form Tutor who will then issue a temporary uniform pass. The student needs to carry this pass with them at all times. Class teachers should ask students to produce their pass on entry to the classroom.

Students who repeatedly wear trainers or other non-uniform footwear, will be issued with a suitable pair of shoes by the Academy.

All staff should address students who fail to wear the correct uniform and who deliberately choose not to be part of the Academy's culture. Persistent refusal to comply with the Academy's uniform expectations will be dealt with by the Character and Culture Leader and Manager.

Items that must not be brought into the Academy

The following items must not be brought into the Academy:

- Any offensive weapons (knives, guns or any object that can be used as an offensive weapon or to intentionally harm another student),
- illicit drugs including 'legal highs' or drug paraphernalia,
- alcoholic beverages,
- laser pens or any item that could direct a laser beam at a person,
- pornography or any item of a pornographic nature,

- fireworks or any item that could potentially cause a fire risk (such as a cigarette lighter),
- cigarettes or any other tobacco product,
- any other item that puts the health and safety of students and staff at risk or disrupts the smooth running of the Academy day.

If staff believe that a student is in possession of any of the above items then a search will be instigated. Please see the Academy Search and Confiscation Policy for more details of this process.

If any student brings banned items into the Academy to sell to other students, the items will be confiscated and parents will be informed. If an offence has occurred then the police will also be informed. Repeat offences of this nature will be dealt with more seriously, in line with Academy sanctions. Selling any items to other students contravenes the Academy's safeguarding values and incidences will be dealt with seriously.

Behaviour around the building and during break/lunchtimes

Students need to move around the Academy building in a safe, sensible way at all times. This means there should be no running inside the Academy building and students should not push or jostle other students if they are waiting in line. Any negative behaviour which puts the health and safety of students in jeopardy will be sanctioned under the Academy's consequence system.

At break and lunchtimes, students must also socialise and play in a safe sensible way. Physical play is not acceptable – pushing, pulling, wrestling, etc. – because it can lead to students being injured. If students are playing sport then physical contact must be minimal as students are wearing their Academy uniform and games are not formally refereed. All students, except Sixth Formers, must remain within the grounds of the Academy at all times during breaks and lunchtimes. Students who leave the premises without permission will be sanctioned under the Academy's consequence system.

Behaviour Outside of the Academy

The power to discipline beyond the school gate:

Disciplining beyond the school gate covers the Academy's response to all non-criminal, bad behaviour and bullying which occurs anywhere off the Academy premises and which is witnessed by a member of staff or reported to the Academy.

Any bad behaviour when a student is:

- ✦ taking part in any Academy-organised or Academy-related activity or
- ✦ travelling to or from the Academy or
- ✦ wearing Academy uniform or
- ✦ in some other way identifiable as a student at the Academy.

Or, misbehaviour at any time, whether or not the conditions above apply, that:

- ✦ could have repercussions for the orderly running of the Academy or
- ✦ poses a threat to another student or member of the public or
- ✦ could adversely affect the reputation of the Academy.

and will be subject to the Academy's Behaviour for Learning Policy and sanctions at the appropriate level of the policy can be imposed for such behaviour.

In all of these circumstances, the Principal will consider whether it is appropriate to notify the police or antisocial behaviour co-ordinator in their Local Authority of the actions taken against a student. If the behaviour is criminal or poses a serious threat to a member of the public, the police should always be informed. In addition, Academy staff should consider whether the misbehaviour might be linked to the child suffering, or being likely to suffer, significant harm. In this case, the Academy staff should follow the safeguarding policy.

Use of Reasonable Force Policy

Behaviour should be managed effectively around the Academy so that reasonable force is deployed as a last resort.

Key Points:

- (i) Academy staff have a legal power to use force and lawful use of the power will provide a defence to any related criminal prosecution or other legal action.
- (ii) Suspension should not be an automatic response when a member of staff has been accused of using excessive force.
- (iii) Senior leaders should support their staff when they use this power.

1 What is reasonable force?

- (i) The term 'reasonable force' covers the broad range of actions used by most teachers at some point in their career that involve a degree of physical contact with students.
- (ii) Force is usually used either to control or restrain. This can range from guiding a student to safety by the arm through to more extreme circumstances such as breaking up a fight or where a student needs to be restrained to prevent violence or injury.
- (iii) 'Reasonable in the circumstances' means using no more force than is needed.
- (iv) As mentioned above, schools generally use force to control students and to restrain them. Control means either passive physical contact, such as standing between students or blocking a student's path, or active physical contact such as leading a student by the arm out of a classroom.
- (v) Restraint means to hold back physically or to bring a student under control. It is typically used in more extreme circumstances, for example when two students are fighting and refuse to separate without physical intervention.
- (vi) Academy staff should always try to avoid acting in a way that might cause injury, but in extreme cases it may not always be possible to avoid injuring the student.

2 Who can use reasonable force?

- (i) All staff members of the Academy have a legal power to use reasonable force. Staff should avoid using reasonable force if necessary or call for assistance from a senior member of staff if they do not feel able to intervene safely.
- (ii) This power applies to any member of staff at the school. It can also apply to people whom the Principal has temporarily put in charge of students such as unpaid volunteers or parents accompanying students on a school organised visit.

3 When can reasonable force be used?

- (i) Reasonable force can be used to prevent students from hurting themselves or others, from damaging property, or from causing disorder.
- (ii) In a school, force is used for two main purposes – to control students or to restrain them.
- (iii) The decision on whether or not to physically intervene is down to the professional judgement of the staff member concerned and should always depend on the individual circumstances.

- (iv) The following list is not exhaustive but provides some examples of situations where reasonable force can and cannot be used.

Staff in the Academy could use reasonable force to:

- ✦ remove disruptive children from the classroom where they have refused to follow an instruction to do so
- ✦ prevent a student behaving in a way that disrupts an Academy event or an Academy trip or visit
- ✦ prevent a student leaving the classroom where allowing the student to leave would risk their safety or lead to behaviour that disrupts the behaviour of others
- ✦ prevent a student from attacking a member of staff or another student, or to stop a fight in the playground
- ✦ restrain a student at risk of harming themselves through physical outbursts.

Schools cannot use force as a punishment – it is always unlawful to use force as a punishment. Staff making the decision to use reasonable force must take into account reasonable adjustments for students with disabilities or special educational needs.

Using force

A panel of experts identified that certain restraint techniques presented an unacceptable risk when used on children and young people. The techniques in question are the ‘seated double embrace’ which involves two members of staff forcing a person into a sitting position and leaning them forward, while a third monitors breathing; the ‘double basket-hold’ which involves holding a person’s arms across their chest; and the ‘nose distraction technique’ which involves a sharp upward jab under the nose.

Telling parents when force has been used on their child

It is good practice for staff to speak to parents about serious incidents involving the use of force and to record such serious incidents using the SIMS system. In deciding what is a serious incident and whether parents should be informed, teachers should use their professional judgement and also consider the following:

- ✦ the student’s behaviour and level of risk presented at the time of the incident
- ✦ the degree of force used
- ✦ the effect on the student or member of staff
- ✦ the child’s age

What happens if a student complains when force is used on them?

- (i) All complaints about the use of force should be thoroughly, speedily and appropriately investigated.
- (ii) Where a member of staff has acted within the law – that is, they have used reasonable force in order to prevent injury, damage to property or disorder – this will provide a defence to any criminal prosecution or other civil or public law action.
- (iii) When a complaint is made the onus is on the person making the complaint to prove that his/her allegations are true – it is not for the member of staff to show that he/she has acted reasonably.
- (iv) Suspension must not be an automatic response when a member of staff has been accused of using excessive force. The Principal should refer to the “Dealing with Allegations of Abuse against Teachers and Other Staff” guidance where an allegation of using excessive force is made against a teacher.

This guidance makes clear that a person must not be suspended automatically, or without careful thought.

- (v) The Principal must consider carefully whether the circumstances of the case warrant a person being suspended until the allegation is resolved or whether alternative arrangements are more appropriate.
- (vi) If a decision is taken to suspend a teacher, the school should ensure that the teacher has access to a named contact who can provide support.
- (vii) The Governing Board should always consider whether a teacher has acted within the law when reaching a decision on whether or not to take disciplinary action against the teacher.
- (viii) As employers, the Governing Board has a duty of care towards its employees. It is important that the Academy provides appropriate pastoral care to any member of staff who is subject to a formal allegation following a use of force incident.

What about other physical contact with students?

- (i) It is not illegal to touch a student. There are occasions when physical contact, other than reasonable force, with a student is proper and necessary. Any physical contact for sexual purposes by a member of staff is wholly inappropriate and will be dealt with by the Academy's Discipline policy.
- (ii) Examples of where touching a student might be proper or necessary:
 - ✦ Holding the hand of the child at the front/back of the line when going to assembly or when walking together around the Academy;
 - ✦ When comforting a distressed student;
 - ✦ When a student is being congratulated or praised;
 - ✦ To demonstrate how to use a musical instrument;
 - ✦ To demonstrate exercises or techniques during PE lessons or sports coaching;
 - ✦ To give First Aid.

Searching and Confiscation Policy

Key Points

Academy staff can search a student for any item banned under the Academy's rules, if the student agrees.

The Principal and staff authorised by them have a statutory power to search students or their possessions, without consent, where they suspect the student has certain prohibited items. The items that can be searched for under this power are knives or weapons, alcohol, illegal drugs and stolen items.

Academy staff can seize any banned or prohibited item found as a result of a search or which they consider harmful or detrimental to school discipline.

Searching with consent

Trust Academies common law powers to search:

Academy staff can search students with their consent for any item that is banned by the Academy rules.

- 1 The Academy is not required to have formal written consent from the student for this sort of search – it is enough for the teacher to ask the student to turn out his or her pockets or if the teacher can look in the student's bag or locker and for the student to agree.
- 2 Parents and students should refer to the Academy's Behaviour Policy for information regarding what items are banned.
- 3 If a member of staff suspects a student has a banned item in his/her possession, they can instruct the student to turn out his or her pockets or bag and if the student refuses, the teacher can apply an appropriate punishment as set out in the Academy's behaviour policy.
- 4 A student refusing to co-operate with such a search raises the same kind of issues as where a student refuses to stay in a detention or refuses to stop any other unacceptable behaviour when instructed by a member of staff – in such circumstances, the Academy will apply an appropriate disciplinary penalty.

Searching without consent

What the law says:

What can be searched for?

- ✦ Knives or weapons, alcohol, illegal drugs and stolen items (referred to in the legislation as 'prohibited items').

Who can undertake such a search?

The Principal or a member of Academy staff authorised by the Principal. But:

- ✦ you must be the same sex as the student being searched; and there must be a witness (also a staff member) and, if at all possible, they should be the same gender as the student being searched. For example, it is possible for a female teacher to witness a search of a male student where there is only one male member of staff in the Academy or taking part in an Academy trip.

When can I search?

If you have reasonable grounds for suspecting that a student is in possession of a prohibited item. The law also says what must be done with prohibited items that are seized following a search.

Authorising members of staff

- 1 The Principal will decide who to authorise to use these powers. There is no requirement to provide authorisation in writing.
- 2 Staff, other than security staff, can refuse to undertake a search. The law states that the Principal may not require anyone other than a member of the Academy security staff to undertake a search.
- 3 Staff can be authorised to search for some items but not others; for example, a member of staff could be authorised to search for stolen property, but not for weapons or knives.
- 4 The Principal can require a member of the Academy's security staff to undertake a search.
- 5 If a security guard, who is not a member of the Academy staff, searches a student, the person witnessing the search should ideally be a permanent member of the Academy staff, as they are more likely to know the student.

Training for Academy staff

There is no legal requirement for the Principal or authorised member of staff to be trained before undertaking a 'without consent' search. When designating a member of staff to undertake searches under these powers, the Principal should consider whether the member of staff requires any additional training to enable them to carry out their responsibilities.

Establishing grounds for a search

- 1 Teachers can only undertake a search without consent if they have reasonable grounds for suspecting that a student may have in his or her possession a prohibited item. The teacher must decide in each particular case what constitutes reasonable grounds for suspicion. For example, they may have heard other students talking about the item or they might notice a student behaving in a way that causes them to be suspicious.
- 2 The powers allow Academy staff to search regardless of whether the student is found after the search to have that item. This includes circumstances where staff suspect a student of having items such as illegal drugs or stolen property that is later found not to be illegal or stolen.
- 3 Academy staff can view CCTV footage in order to make a decision as to whether to conduct a search for an item.

Location of a search

- 1 Searches without consent can only be carried out on the Academy premises or, if elsewhere, where the member of staff has lawful control or charge of the student, for example on Academy trips in England or in training settings.
- 2 The powers only apply in England.

During the search

Extent of the search – clothes, possessions, desks and lockers.

What the law says:

The person conducting the search may not require the student to remove any clothing other than outer clothing. 'Outer clothing' means clothing that is not worn next to the skin or immediately over a garment that is being worn as underwear but 'outer clothing' includes hats, shoes, boots, gloves and scarves. 'Possessions' means any goods over which the student has or appears to have control – this includes desks, lockers and bags. A student's possessions can only be searched in the presence of the student and another member of staff. The power to search without consent enables a personal search, involving removal of outer clothing and searching of pockets; but not an intimate search going further than that, which only a person with more extensive powers (e.g. a police officer) can do.

Lockers and desks

Under common law powers, the Academy is able to search lockers and desks for any item provided the student agrees. The Academy also makes it a condition of having a locker that the student consents to have these searched for any item whether or not the student is present.

Use of force

Reasonable force may be used by the person conducting the search. Separate advice is available on teachers' power to use force.

After the search

The power to seize and confiscate items – general What

the law allows:

The Academy's general power to discipline, as set out in Section 91 of the Education and Inspections Act 2006, enables a member of staff to confiscate, retain or dispose of a student's property as a disciplinary penalty, where reasonable to do so.

- 1 The member of staff can use their discretion to confiscate, retain and/or destroy any item found as a result of a 'with consent' search so long as it is reasonable in the circumstances. Where any article is thought to be a weapon, it must be passed to the police.
- 2 Staff have a defence to any complaint or other action brought against them. The law protects members of staff from liability in any proceedings brought against them for any loss of, or damage to, any item they have confiscated, provided they acted lawfully.

Items found as a result of a 'without consent' search What

the law says:

A person carrying out a search can seize anything they have reasonable grounds for suspecting is a prohibited item (that is a weapon/knife, alcohol, illegal drugs or stolen items) or is evidence in relation to an offence.

Where a person conducting a search finds alcohol, they may retain or dispose of it.

Where they find controlled drugs, these must be delivered to the police as soon as possible unless there is a good reason not to do so – in which case the drugs must be disposed of.

Where they find other substances which are not believed to be controlled drugs these can be confiscated where a teacher believes them to be harmful or detrimental to good order and discipline. This would include, for example, so-called 'legal highs'. Where staff suspect a substance may be controlled they should treat them as controlled drugs as outlined above.

Where they find stolen items, these must be delivered to the police unless there is a good reason not to do so – in which case the stolen item should be returned to the owner. These stolen items may be retained or disposed of if returning them to their owner is not practicable.

In determining what is a "good reason" for not delivering controlled drugs or stolen items to the police the member of staff must have regard to guidance issued by the Secretary of State.

Any weapons or items which are evidence of an offence must be passed to the police as soon as possible.

It is up to teachers to decide whether there is a good reason not to deliver stolen items or controlled drugs to the police.

- 1 In determining what is a 'good reason', the member of staff should take into account all relevant circumstances and use their professional judgement to determine whether they can safely dispose of a seized article.
- 2 Where staff are unsure as to the legal status of a substance and have reason to believe it may be a controlled drug they should treat it as such.
- 3 With regard to stolen items, it would not be reasonable or desirable to involve the police in dealing with low-value items such as pencil cases. However, Academy staff may judge it appropriate to contact the police if the items are valuable (iPods/laptops) or illegal (alcohol/fireworks).
- 4 The Academy can dispose of alcohol as they think appropriate but this does not include returning it to the student.

Telling parents and dealing with complaints

The Academy is not required to inform parents before a search takes place or to seek their consent to search their child but in most circumstances the Academy would seek to keep parents informed.

- 1 There is no legal requirement to make or keep a record of a search but it is good practice, and in the Academy searches should be recorded wherever possible.
- 2 The Academy should inform the individual student's parents or carers where alcohol illegal drugs or potentially harmful substances are found, though there is no legal requirement to do so.
- 3 Complaints about screening or searching should be dealt with through the normal Academy complaints procedure.

Appendix 1 – Attitude to Learning (ATL) Standards

	COMMUNITY CITIZENS	ATTITUDE TO LEARNING
<p>MEA Learners...</p> <p>ATL 1</p> <p><i>Demonstrate the MEA Way at all times</i></p>	<p>Demonstrate the MEA Way at all times.</p> <p>Are proud of their Academy and are role models for other students at all times.</p> <p>Always wear full, correct uniform. *</p> <p>Are ambassadors for the Academy.</p> <p>Have excellent attendance and are punctual every day. *</p> <p>Engage in a range of MEA X-TRA enrichment opportunities.</p> <p>Are friendly and treat all members of the MEA community with kindness, respect and tolerance.</p>	<p>Take full responsibility for their own learning and take pride in producing quality work that is always well presented.</p> <p>Thrive on challenge and demonstrate an eagerness to learn, both in the classroom and beyond.</p> <p>Make every effort to do their best in regular assessments and tests, being fully prepared and attending all boosters (where appropriate).</p> <p>Complete all independent study (no more than 1 piece missed) *</p> <p>Work with all staff and students to build positive relationships that support outstanding learning and teaching.</p> <p>Engage fully with any support offered to improve their learning.</p>
<p>Learners Needing Rapid Improvement...</p> <p>ATL2</p> <p><i>Demonstrate the MEA Way the majority of the time, with only occasional poor choices</i></p>	<p>Usually arrive on time but have too many occasional days off.</p> <p>Usually wear full uniform correctly.</p> <p>Queue sensibly at break and lunch, stay in designated areas but do not always fully respect the MEA environment.</p> <p>Engage in some MEA-X-TRA enrichment opportunities.</p>	<p>Usually complete all learning tasks but do not always work as hard as they could every lesson.</p> <p>Usually take pride in their presentation and delivery but are not consistent.</p> <p>Take assessments and tests seriously and want to do well but do not prepare fully.</p> <p>Complete most independent study set (no more than 3 pieces missed)*</p> <p>Do not stop the teacher from teaching or other students from learning but can be passive.</p> <p>Do not show consistent effort across all subjects.</p>
