The MEA Vision: We seek to create a fantastic future for all our students

The MEA Way: Safe, Respectful, Ready

Our Academy promotes equality of opportunity. We are committed to take a positive stand to ensure all in our communities have a right to equality of opportunity and achievement regardless of race and ethnicity, faith, belief and religion, disability and access, ability, age, sex, sexual orientation, transsexualism and marital status.

In our Academy, we talk about 'The MEA Way' of doing things. We have a clear set of standards which all students should aspire to and which all staff should model and expect. These are detailed in our Behaviour for Learning Policy, which can be found on the school website and will be clearly communicated to students when they return to school in September. It is important that students follow the Academy rules and staff instructions at all times to ensure that all students remain safe and can succeed to the best of their ability. We expect all parents/carers and students who attend the Academy to agree to uphold these standards and to comply with our behaviour expectations.

Covid-19 pandemic - Additional expectations

Our primary aim during this time is to ensure that students and staff are safe on-site and that we are adhering to the very latest government guidelines.

When pupils are in school, we expect them to follow all of the rules set out below to keep themselves and the rest of the school community safe.

Staff will be familiar with these rules and make sure they are followed consistently.

Parents should also read the rules and ensure that their children follow the new procedures that have been put in place. Parents should contact the Manager of Character and Culture for their year group if they think their child might not be able to comply with some or all of the rules, so we can consider alternative arrangements with them and support them to integrate back into school life.
