Dear Parent/Carer

Re: COVID-19 Guidance

I am writing on behalf of all the staff at MEA to thank you and your child for your support during the last three weeks. Like everybody, we were uncertain what to expect from such a strange start to the school year, but MEA students have proved beyond doubt that they know how to be safe, respectful and ready. Attendance has been high, and the overwhelming majority of students have shown themselves to be mature and responsible in responding to all of the new measures we have put in place.

There is a lot of discussion about what to do in various scenarios related to Coronavirus and it is sometimes challenging to work out what is the right response. On the back of this letter there is a one-page guide, produced by the Department for Education, which provides clear advice on a range of situations. I hope that you will find this useful.

The symptoms of Coronavirus (COVID-19) are a **high temperature**, a new **continuous cough**, and/or a change to your **sense of smell or taste**. If your child displays any of these symptoms, then you should **not** send them to school and should follow the guidance overleaf.

Advice on all aspects of Coronavirus can be found here <https://www.gov.uk/coronavirus>. If you have any queries or concerns, please do not hesitate to contact the Academy switchboard on 0161 499 2726 or email admin@meacad.org.uk.

Yours sincerely,

Ruth Bradbury
Principal
